

# Stitching Practice

Name \_\_\_\_\_

## "L" License - Page 3

Read The Instructions For #1 Very Carefully

1. Following the 15 line (1.5cm) on your machine's needle plate sew along the edge of this paper. Pivot at the corners. Join stitching together with backstitching. **DO NOT SEW ALONG THE ARROWS** - they are the guide for direction only!!!

2. Stich along the curved line.
